HEY BOOMERS!

The bells!
The bells! It's
your old pal
Megadroid here,
ringing in a new look to your fave
comic for 1998. After almost two
and a half years, the humes-who-
think-they're-in-charge, decided it
was time STC had another upgrade.
Make it your resolution to write
and tell me what you think of the
new design!

This issue also includes all
new stories, featuring the return,
by popular demand, of the red

dreaded echidna, Knuckles, in a
team-up with Tails! Plus, there's
Sonic, Amy & Tekno, and
Decap Attack too.

As if that wasn't enough,
there's a sega-sational Sonic,
Tails and Knuckles Pin-Up,
together with your own artwork in
the '98 Resolution Zone!

Thanks for buying STC
throughout 1997 and for swamping
the office with your Christmas
cards. I was so snowed under, I
couldn't see the humes' faces for
weeks (my new year wish came
true earlier than I expected!).

HAYLEY'S COMBAT

Dear Megadroid,

I would like to know the answer to two things please

(1) When is the Sega Channel coming to the West Midlands in the Dudley and Wolverhampton areas?
(2) Also, how come Lynne Tripiett has had her name in the comic twice (once in STC 84 and again in STC 110), when I can't even get a letter or drawing published once?
Hayley Gonderton,
Pensnett, W Midlands
Enamel Badge Prize Winner.

(1) Unfortunately, Hayley, Sega say they have no plans for the Sega Channel to operate in the West Midlands. It seems to be just in England's North West and North East
(2) Oh yes you can!

Dear STC.

Q: What's blue and prickly and squirts jam at you?
A: Sonic eating a jam doughnut

PLEASE SEND IN NAME AND ADDRESS

CHAOTIX RETURN

Dear Megadroid

It's always the obvious characters that readers think are the coolest. However, my faves are strangely disappearing from STC - I'm speaking about Super Sonic and Chaotix - I demand that you bring them back
Richard Ng,
Dublin, Rep of Ireland.
Enamel Badge Prize Winner.

Oh alright then! The good news is that Chaotix are back with Knuckles in the very next issue for a new four part story. However, Super Sonic's 'resting' after his recent series

STC 118

Dear Megadroid

I really enjoyed reading the last Super Sonic story which finished in STC 118, as I think he's crazy but cool. Could you please tell me in which issue Sonic first turned super?
Clare Riches,
Esh Winning, Durham.
Enamel Badge Prize Winner.

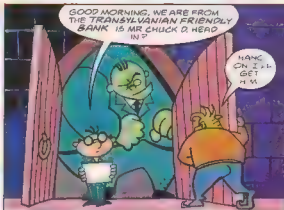

Yes, Clare, Sonic made the big change in STC 7, which for trivia buffs, was when artist Richard Elson first joined STC clan!
